

Notifications of planning applications received from South Derbyshire District Council.

Details of the following planning applications may be found on the planning section on the SDDC website under <http://www.planning.south-derbys.gov.uk> and on the Parish Noticeboard.

Whilst the Parish Council may well respond to any Planning Applications made, we are only one voice within the community. The Planning team and committees will take more notice of people making comments if there are a larger number of respondents stating their views. Please bear this in mind and do not assume that the Parish Council view holds any particular significance, when it comes to planning responses. If you have a view, you need to individually make them known to South Derbyshire Planning, either on line or by post within the timeframe allowed for each application.

Responses may be emailed to planning@south-derbys.gov.uk
